

CIP 14: Booth Hill Road - Booth Hill Reservoir to Central Vale Drive

Project Cost: \$1,885,000

Project Priority: Medium

Project Description

Approximately 4,000 ft of 12-in water line will be installed on Booth Hill Road between Central Vale Drive and the Booth Hill Reservoir to replace the existing 8-in waterline. The upsized water line will improve fire flows and distribution capacity to Odell and reduce high flow velocities through this section.

Date: 8/28/2025
