

CIP 16: Lippman Road - South of Summit Drive

Project Cost: \$1,885,000

Project Priority: High

Project Description

Approximately 4,000 ft of new 12-in line will be added on Lippman Road from the west end of the existing 12-in water line to Summit Drive. The new water line would help create an additional loop and add redundancy to the west quadrant of the Odell Pressure Zone and increase flow to the City of Hood River Intertie.
