

CIP 19: Wyeast Road - Wy'East Middle School to Chamberlain Drive

Project Cost: \$435,000

Project Priority: Low

Project Description

Approximately 1,600 ft of 8-in water line will be installed on Wyeast Road between Wy'East Middle School and Chamberlain Drive to replace the existing 6-in water line. The upsized water line will add an additional loop to the northwest quadrant of the Odell Pressure Zone, improving flows and pressures.
